“ Debbie never knew a stranger - she would always find common ground with anyone she was talking to. She is such an adventurous person and has impacted my life (and my 2 sisters who also had the privilege of having fun times with her) because of it. She is kind, caring, hospitable, and a friend to animals. I worked with Debbie at Dublin Methodist Hospital and was also able to visit her at her home in Florida - she planned some great, memorable activities for us: an airboat ride and a visit to Bok Tower Gardens. I will miss her but definitely look forward to seeing her again. There is no shortage of adventurous things to do in heaven! Love, Bobbi Kaiser

“ I will always remember our personal conversations and how warm and loving our hugs were. I will miss you being in my life but I will remember your sweetness and use it as an example in my life. Till we meet again, Love you, Louise

“ So many memories with my dear friend Debbie but I feel the best one was our cruise to the Bahamas when she was turning 60 and I was turning 50! So much fun we had
