“ Elvia was like a mother to me during a time of tears ,confusion and pain over a personal family conflict I was experiencing. She held my heart in her hands she heard my cries . She understood my pain and abandonment. She shared herself with me and gave me strength and love especially since I needed to be consoled. She had a great big heart . And she helped me to have courage to spend time with my own mother. IT brought me joy . . I am forever in her debt . I am the lucky one to have known her kindness and she will be missed .. God Bless you TiTI ELVIRA. . Rest in Peace.

“ In one of our darkest times Titi Elvira was there for us. We were not married, but in our time of need she never shut us out. Forever grateful for those days. I know their is a big party/reunion going on in heaven right now. The reunion must be a good one!

Our condolences, Diane & Tico

“ Elvira was my mother-in-law for many years and knew her for 52 years. She was always a wonderful grandma to my children. Some people might say that it is a given that mother-in-law/son-in-law relationships are generally never good, but I'm here to tell you that was never the case with us. A woman of strong will and character but a woman who cared. Elvira, you are no longer in pain. You are now with Julio Sr. and our Creator in an eternal spiritual life. You will enjoy it. I have no doubts it's going to be a great ride! Rest in Peace.

You will be missed.
