“ Jim you will leave a big hole in our lives because you were the perfect picture of a man who cherished his friends and family. Our 46 year friendship was such a comfort to me when Jack was ill and passed away. You and Mary were there to provide a shoulder to lean on and talking about our times together during holidays helped ease the pain.

I'm Free

by Shannon Lee Moseley

Don't grieve for me, for now I'm free.

I'm following the path God has chosen for me.

I took His hand when I heard Him call;

I turned my back and left it all.

I could not stay another day,

to laugh, to love, to work or play.

Tasks left undone must stay that way;

I've found now peace at the end of the day.

If my parting has left a void,

then fill it with remembered joys.

A friendship shared, a laugh, a kiss;

Oh yes, these things, I too will I miss.

Be not burdened with times of sorrow,

look for the sunshine of tomorrow

Be not burdened with times of sorrow,

look for the sunshine of tomorrow.

My life's been full, I savored much;

good friends, good times, a loved ones touch.

Perhaps my time seems all too brief;

don't lengthen your time with undue grief.

Lift up your heart and peace to thee,

God wanted me now – He set me free.

You will be in my heart always. Your friend Renate
