“ I met Mary in 1981 when we worked in the WED Art & Design department at Walt Disney World. I've known her for 38 years. After she got a cell phone, we texted almost every day. I looked for her texts and if I didn't hear from her for a day or two, I would worry. She was a caring and good friend and she sent the most wonderful cards. I loved her dearly and will always miss her. She loved her Jesus and I know she rests with him now. All my love to MJ, Robert, Kathy, Jackie and the rest of the family.

“ From the first time I met Aunt Mary she welcome me into her heart and home. I will miss her notecards with their stickers of inspiration and her morning texts with their 's. While I am sad she is no longer with us, I am glad her pain is over and she is resting with Uncle Bob. I say to her what she always used to said to me, "God Bless"

“ Mary was very special to me. As I battled breast cancer Mary would send me cards with wonderful words of encouragement. She loved her family and their friends. When I was at their home she made me feel so loved. She is now at peace, no pain. We will see you again Mary,
