“ I'm so glad that I had this past month with you. I helped you and Charlotte to the best of my ability. I'm glad that we had an "boys" day out. You told me stories of dad that I had never heard while we had dinner at a restaurant that you had always wanted to go to.
You are now out of pain and with dad, mom and Robert.
Bye for now for I know I will see you again.
Your little brother, Carl
