“ I have known Mr D since I was 18 years old and met Deb at college. I have the fondest memories of both he and Mrs D through the years, including their visit to Rochester (and visiting his childhood church) and their attending our wedding in Washington (which meant the world to us). I love you all and we extend our prayers, heartfelt condolences, and love. You are in our hearts during this difficult time. We love you, Kazz/Karin and Ken
