

Mrs. Alecia Anne Adcock

January 4, 1960 - July 16, 2023

Mrs. Alecia Anne Adcock, 63, of Orlando Florida, entered into rest on July 16, 2023. Lisa was born on January 4, 1960 in Anderson, South Carolina to Don Duncan and Linda Newby. She is survived by her husband Thomas "Tom" Adcock, son Thomas Adcock II, daughters Ashley Adcock and Amanda Adcock, granddaughter Alexia Adcock, her parents Don & Linda Duncan, brothers Michael (Kim) Duncan and Damon Duncan and her sister Marie Duncan. As well as numerous aunts, cousins, nieces and nephews. Lisa was an avid cyclist and was beloved in her Charity Miles community, as well as in the local park where she often rode her bike. She left a lasting impact on everyone she met. She always had a smile, a warm greeting, or a hug for everyone who entered her home and had a knack for instantly making you feel welcome. She never ran out of love to give or helpful and loving advice to offer and was looked up to by so many in her life. So many have described her as "the best person" they ever knew and her memory and legacy will live on through them. She will be missed by her family and friends every day and loved for all eternity.

“ Lisa it's been a shock to the park community hearing of your passing. The park staff and I are all keeping your family in our thoughts and prayers. I will miss you. Keep watch over us. And now you get to meet my other baby girl Anastasia. Your infectious smile will be missed.

“ Lisa was my best friend. More like a sister. We've been biking together almost every weekend since 2009 and talked the entire time. And you know that meant 30 or more miles! I am so sorry for everyone's loss. She is not replaceable. She loved her family and especially her granddaughter who she talked about all the time and was so proud of. Love to you all.

“ *No words can express how much I miss my cousin Lisa. Since I will never be able to make new memories with her, I will just revisit the ones I already have and be extremely grateful to have had her in my life. She taught me how to tie my shoes, I would probably still be wearing slip ons if it weren't for her. She was patient and loving, heaven has another beautiful angel. Love you so much.*

“ When Lisa was born she was the first grand baby in our family. We were so thankful that God had given us such a beautiful little girl. We spoiled her rotten and love every minute of it. God gave us a special little girl that grew into a special woman. I carried her in my arms when she was a child. I will hold her in my heart forever
