“ Her days on earth have ended
She's left her fruitful life.
Take comfort in the fact that she
Has no more struggles, stress, or strife.

God has called her to her glory.
Now she has a heavenly home.
A place that is more wonderful
Than any she has known.

Our hearts are overflowing
With grief, and pain, and love.
For Althea's now in Heaven
And she's watching from above.

Remember that she loves you
And she now awaits the day,
When you join her at those heavenly gates
And she shows you the way.

Call me if you need me,

“ *Our condolences to Rodney and family on the passing of dear Althea. GOD has spoken. We sometimes do not comprehend HIS actions, but GOD always knows best. When sadness comes, Cherish the memories that are engraved in your hearts. Your Althea was an awesome person. She used the time THE LORD gave her to love, demonstrate compassion, encourage, uplift, and express kindness to others. Her contagious smile, soft spoken voice, and sense of humor was a blessing to us. May your strength be drawn from GOD, who is forever present. May HE gives you that peace that passeth all understanding. Althea will be profoundly missed. Take courage in the knowledge that we are praying for you.*

“Gone too soon we think...but that is God's plan. Althea, being a believer, would be the first to agree. I will remember Althea for her sincerity, cheerful disposition and kindness, her support for my personal activities. She was a friend with whom I spent many happy, meaningful hours. To her I owe my membership in the Sunshine Book Club, a small group of women who shared their beliefs, experiences and advice too, humour and literary wisdom. To Rodney and the family I send sincere sympathy on behalf of George and myself. Hold the memories tight and to the children and grandchildren, make her proud. Love and God bless you all....So sorry I can't be there to share in the service. Clover Batts

“I am so glad that this picture of Lorraine has been shared with us. This is how I want to remember Lor with her cheerful and captivating smile.

I can still hear her laughter and have fond memories of our neighbouring homes where we grew up in St Thomas - Jamaica and where we had wonderful childhood memories.

I thank God that our friendship continued into our adult lives and that we had the pleasure of meeting each other's families. I pray that her family and friends will be comforted in the knowledge that Lor had a steadfast faith and has gone on before us to a better place.

Our Deepest Condolences to the family Death brings pain that can't heal no words could ease what we truly feel; but with God, her joy is eternally sealed. And cherish her memories that death can't even steal. Lift up a smile for she is already in the paradise. From the Hoilett family

There are no words at this time that truly bring comfort. We know Althea through her beautiful sister, Alison. What brings joy, is knowing Althea knew and loved Him! She is no longer suffering, no longer bound. Althea is in His glory! She is in the place that, in our hearts, is better than on this earth. Knowing this does not take away from the great sadness of her no longer being part of our joy, this family is in our hearts and prayers. With Sympathy, George and Kim Short.
