“ Pappy,

You would always pull on my curls to tease me when I was younger. At the time I thought that you were being mean, but looking back now it's a funny memory.

I will always remember the times that I made silly faces at you from across the room that you would make right back. You never lost your humor through the years.

A piece of you will always remain with us through the wisdom, knowledge, and strength that you gave us all.

We are staying strong for you.

*Love and miss you,
Marleena*

“ Sweetheart,
You were always the best part of my life. I know if we hadn't met
and fallen in love, i would still be looking for happiness. No one else
could ever made me feel as alive, as special, or as happy as you
have. You will always have a special place in my heart and will
always be my only love. Love you. Chris
