“ I'm devastated to learn about my dear friend's departure from this world. After trying unsuccessfully to reach him by phone I decided to look online in case he changed his number, instead I was unfortunately met with his obituary.

David, thank you for being such an incredible friend. Your kind and generous heart will never be forgotten. Now you've gone be with Lord and have become an Angel indeed.

Condolences to your son and granddaughter who you loved dearly and ALWAYS mentioned in almost every conversation we had.

May your beautiful soul rest in eternal peace my dearest friend.
