“ I grew up with Angelica since 1991, she was my sister’s best friend. She was so beautiful, great dancer and she was an awesome person. She took great care of her son, I remember seeing her at the doctors office with him. I last bumped into her at Grocery store about a year ago. She’s definitely going to be missed. Angelica it saddens to know you’re no longer here with us, we had great memories. I will always keep your memory alive girl! Say hi to Carlos and Loco (Jose) for me in Heaven! You always kept his memory alive. Love u always! 🙏🙏🙏❤️
