“ Dear Hotch and Squeak (those are the names we remember you by); We were so sorry to hear about your dad. We remember your dad and mom as great friends during our time in Delphi. Several years ago we ran into them at Columbian Park Zoo when they had a little granddaughter with them and we had Jamey's two little girls with us. We had a wonderful visit. Our prayers are with you. (Pastor) Jim and Temple Lloyd, Willis, Tx.
