“ *Mrs. Wheelock was my mom's oldest and dearest friend. They will have a blast catching up. :) Thank you for teaching me how to properly tie my boots and teaching me what gear to drive in while out west. You made my trip to Colorado wonderful. Love and peace to the whole family. Jessie Tanis*

“ Our sympathy to all of you. It seems time has greatly reduced the number of us cousins. I remember Anna from the time I was a little girl. My Mom & Dad would take my brother and me to Chicago to visit her folks and brothers and sisters. It was always a loud, happy time, with lots of wine and wonderful food. I always gravitated to her. We have kept in touch through the 70 years since then.

*I remember she and your dad visiting Roger and I when we lived in El Paso. Taking them over the border, into Juarez, MX. They spent several days with us and we had SO much fun. We visited with them several times when they lived outside of Chicago. I shall always love and remember her and will miss her yearly phone call at Christmas time.*

*May you be comforted with all the good memories you have, knowing she would not have wanted to have to remain in that condition. That doesn't mean how much you will miss her though, as well as the rest of us.*

*May God grant you comfort and peace,*

*Cousin, Ann Rupe*

*Anna was the most caring person. While she was getting Chemo treatment for her breast cancer, she took the time to visit my husband Ken in the hospital after he had cancer surgery. That was Anna, always caring, friendly and spreading good cheer. We miss her.*
