

Arthur Douglas Foster

May 6, 1936 - April 13, 2018

It is with great sadness that the family of Arthur Douglas Foster announces his passing after a brief battle with lung cancer, on Friday, April 13, 2018, at the age of 81 years, in his home in Orlando, Florida. Art was born in Rochester, New York on May 6, 1936. He was experienced in many different trades, but was best known as a Master Electrician. He was active as a Bahia Shriners member in Orlando, volunteered in transporting children to the Shriners Hospital for Children in Tampa for treatment, and like to attend the Bahia Shrine Circus and parades. He was an avid outdoorsman, and particularly enjoyed camping with his wife Sylvia Foster, and with his friends at the Shriner's camping club. Art loved animals and was fond of training dogs. He leaves behind Molly, his loyal and loving Boston terrier. Art loved computers and new technology, and a favorite pastime included photography. He liked going on Facebook, and enjoyed seeing what his family and friends were up to in their daily lives.

Art will be lovingly remembered by his wife Sylvia Foster and his step-children, Rhonda Judd and Richard Bailey; by his grandchildren, Wesley Bailey, Jonathan Foster, Michelle Foster, Caitlyn Foster, Stephanie Westerman and her husband Josh, Shaun Judd and his wife Jennifer; and by his great-grandchildren Cailin and Aiden Judd. Art will also be fondly remembered by his sisters Elizabeth Foster Wilson, JoAnn Foster Lewis, Cheryl J. Kopp, Deborah Foster Humby, and Patricia Foster Covey. Art was

predeceased by his children Michael and Tracy Foster, his parents Arthur and Lucille Foster, and sisters Judith C. Foster Raskind and Arlene Foster Smith.

In lieu of a service, those who so desire may make memorial donations in memory of Art to the Shriners Hospital for Children in Tampa at Shriners Hospital for Children, Attn Office of Development, 2900 N. Rocky Point Drive, Tampa, FL, 33607, or online at <https://donate.lovetotherescue.org>. Contact Good Life Funeral Homes for more information.
