“ Barbara and Ron came into our lives a few years ago at Risen Savior Lutheran Church. We also enjoyed seeing them often at BJ's in Waterford Lakes. The happiness they shared as a couple radiated. Barbara was a gracious, friendly, sweetheart of a person. Learning of her passing has deeply saddened me. She loved life, her family and friends. I truly miss her presence and send care and compassion to Ron and her family.

“ I moved from Seattle a year ago from Orlando. I worked with Barbra at Bj's for the last year I lived there. I c ant believe this was the last memory I have of her. She was an amazing woman who always made me laugh and had a wonderful vibrant personality. I will miss her dearly and my heart goes out to Ron who I also worked with and her family. I will always remember and treasure my memories with her. Love you always Barb ❤️

“ I was very close with my nana. Growing up, she would always take me shopping, to the movies, or out to eat. When I would go over to her house, I would always play with her animals. She let me keep my kitten at her house for a little when I first got her almost two years ago, and at first she loved Kit Kat, but then Kit Kat became "moody" and she called her the "cat from hell" which was funny, given her mood swings. Regardless, she still loved animals. When I was growing up, she also always scolded me for something that I did, but I was at times a pretty mischievous child. I think I got it from her. I know I got my stubbornness from her. I knew that she was just giving me advice and was being a caring grandparent. My mom also told me that I have the "chutzpa" which is something I believe my nana had and my Oma. I wish I had more time to be able to spend with my nana. I am upset that she won't see me get married or have children, at least in a physical aspect. I know that she is always looking down on me and will be a guardian angel. I love and miss you nana. I hope you are resting in paradise somewhere on the beach hanging out in the ocean with the sand between your toes. I know the beach was your favorite place to be.

I love you.

“ Uncle Ron,

I am very sorry to hear about Aunt Barbara's passing. My thoughts are with you and the rest of the family.

I wish I could come up there with my mom and dad for Saturday's service but unfortunately I won't be able to. I will be thinking of you and praying for peace and strength for you during this time and always.

I never knew that I shared the same name with Aunt Barbara until I saw her full name written in this memorial. It made me feel good during this very sad time.

*With deepest sympathy,
Karen
