“ *Barry loved to fish...and we all loved going fishing with him. It didn't matter where we were fishing, what we were fishing for, and in fact it didn't matter if caught a thing...just being on the H2O soaking a bait, jaw-jacking about anything & everything was the best part of the "boyz fishing trips" we did year-after-year. I will always think of Barry on every fishing trip from here on. RIP Barry.*
