“ *I'm not even sure what to say. We all love and miss you so much. I will forever cherish all the memories that we shared. All of our inside jokes that most people just wouldn't understand. The babies miss you so darn much. Fly high momma, you are now free from all the pain and suffering. You fought long and hard but you were a little firecracker through it all. I will forever hold you in my heart.*

Love always,

Your "Sniffin Peckin Chicken"
