“ *Billie was a great man, mentor, and friend to me over the last seven years. I met Billie and Judy in Tampa while we were both attending manager training with Sodexo. We kept in contact over the next few years, sharing different ideas and benchmarking data. When Billie decided to retire I was fortunate enough to attempt to fill his shoes. I will miss our calls, emails and calls to discuss his latest discovery while he was looking up ancestors, and the occasional breaking of bread when we were in town. He had a great heart and a willingness to serve others; a true example of how we should all live. Rest easy my friend, enjoy all those Saturday's (except for Sunday), and know you will be missed. Prayers for Judy, his children, and family (and of course Casper).*

“ My Dad! My wonderful Dad. You are now at peace and out of pain. How I wish I had more time with you. One more day is not enough. You will forever live in my broken heart! Love you so, so much!

Billie! I remember the times at Caphart housing in Wichita Falls, Texas when we were neighbors. The times when we drank tequila and the times when we went on the roof to watch the tornados. Those were good times. Now you are with the lord and may you Rest In Peace!
