“ He was a role model for us to the young people as we were growing up in church and how a father figure should be. His love he showed to his family and the amazing spark he always had were some of the living standards he showed us as an example to follow when making choices. I loved him as I chose the Nieves family as my family. Love you guys and I'm so sorry of this great loss because he can't be replaced. His smile and always making me feel welcomed are gestures that I will always remember besides calling me "traviesa". 💔💔💔💔 RIHP Pa 💔💔
