“ Mrs. Lunsford always greeted me with a smile. She was an amazing woman. I remember going to the house and her always doing something around the house. I learned how to fold a towel properly from her. She will be deeply missed. I'm so sorry for her loss. I know it's tough right now. Love ya'll

“ Carol made the best 7 minute icing in the world! I remember coming down every summer to visit, and how welcome she made us feel and all the great food! Especially her 7 minute icing. I didn't know such a thing existed until she made it for us, and I was amazed at how it came from egg whites, but turned out like marshmallows. She always had a great smile, a wonderful laugh, and a way that made you feel that she was glad to see you. We'll keep y'all in our thoughts and prayers!
