“ Carolyn, your passing was a shock to us all! We never realize how precious time is until we have none left. I will always remember the holidays we spent together and the fun times we spent as kids paying hopscotch together as you called me "thunder thighs" lol. I am so glad you guys came to see me in Florida at the Nickelodeon with Madison a few years ago. We had a good day that day catching up and our daughters got to meet and play. I promise to always help the family in any way I can. You will be forever missed & remembered xoxo

“ I have so many great memories with Carolyn...even calling her Smin was one of them....as teenagers we did everything together but grew up and moved and had kids....but that never stopped us from talking all the time on the phone and catching up with each other's lives....our plan was for us to move close together and raise our kids together but her life was short lived....I miss her so much everyday....she was a great friend and an awesome mother...you will always and forever be in my heart...I love you and miss you Carolyn!
