“ I always enjoyed talking with Charlie. He mostly talked about Shannon and his children, how much he loved them. He shared poetry that he wrote. Charlie had a talent for sure! I also needed a block wall rebuilt. Charlie did a great job as a true craftsman. I will miss him.

Soooo sorry for this loss on earth. One of the few people I didn't mind running into during my weekly publix shopping trips. Charlie was a intimidating big guy, with a soft heart. I could always see, hear, and feel how much he loved his family. I also loved that he didn't talk for hours... 🙏🏻😭. Charlie understood the busy life and wanted to get home you his family. Prayers for all the families. I will miss him.
