“ *My heart is sad. Charles was a wonderful mentor to me. He gave me my first job at UCF in 1991. From that point on I never anticipated being there to this day. Charles was tough as a supervisor but fair. For that I am truly grateful. He helped me grow and develop professionally. Charles loved playing golf and traveling. He was always seeking new things in life to experience.*

God speed my friend. You will always be missed and will forever hold a place in my heart.

Much love,

Lauren

I posted a comment earlier last week but don't see it. Anyway, ditto to Lauren's comments and much more. Charles had a love of life and enjoyed so many things in his better days. He was a wonderful friend and I will miss him dearly.
