“ Charlotte was a true friend, she and her family were an extension of ours. She was my Angels dear and close friend for many years and she gave me comfort when she came around after my Angel went to heaven. She will be missed by the O'Quinn's for we loved her as family. Im sure she will be with Angel again and they can continue the friend for eternity. We love you Charlotte and may God bless you.

“ I have known Charlotte for many years. Jonathan and the girls were
so young when I worked with her in the lockbox dept. at what was
known then as Sun Bank. Charlotte always had a smile on her face.
Even though she went to different departments we always knew
each other. I will truly miss her , and my sympathy goes to your
entire family. May God bless her and give you all strength.

“ *Charlotte had been part of our family my whole life. As a kid she was one of the "big kids on the block. As a young adult Charlotte and I would sit up playing card all hours of the night, a couple days a week. I've baby sat for her and she baby sat for me. She is not my blood sister but for many years I was closer to her than my own sister. I love you Charlotte and will miss you.*

*You are now in no more pain and I am happy for that but the selfish part of me wishes you were here just so our hearts won't hurt
Love you sis*

“ *Charlotte came in to our lives many years ago as the parent who's kids Angel baby sit, but became so much more. She became a part of our life as did her family , she became the kind of friend to Angel that everyone wishes they had. She was a wonderful person and a comfort to me when I lost my Angel. I will miss her and will miss her visits. Hopefully she will be teamed up with Angel in heaven and together they will look out for each other as they always have.
Love you Charlotte and God bless you.*

“ *In our family Charlotte was known as our 'oldest' child. We go back to the 1968. We were neighbors in Bonneville. I babysat Charlotte and Greg then Charlotte babysat for us. The child, the teen, the young mom and the grandma. The friend and most of all the great heart that will always be remembered. I will miss you my sweetheart. God's Peace be with you.*

“ *You were My first friend when we moved to Orlando, almost 40 years ago. We were inseparable and shared so many first's together. Our friendship was the start but you became my sister, a daughter to my mom and dad, an aunt to my children and a well loved family member to my entire family. Your smile and your heart was always pure and real and I will miss you everyday of my life. I know you are in heaven looking down and you already know I'm here for your family. We love you sweet Charlotte, you will forever be in our hearts.*

My heart is truly broken after losing my beautiful, loving angel niece Charlotte. She was the biggest hearted person I knew. I was proud of her for becoming the wonderful wife, mother, grandmother and friend to everyone. I will miss her great sense of humor and her weekly phone calls to keep me up to date on her life. I hope I was a good mother figure for her through the years and I hope she knew how much I loved her.

I worked with Charlotte as a young adult at Suntrust and she was always the one who you could talk to and she was a mentor to me as I learned. We lost touch when I moved to Alabama in early 2003 but I thought about her often. She will be missed by many. Rest in peace my friend.

Wishing Charlotte's family peace. Let God replace your grief with hope - your anxiety with peace. Please remember, not that Charlotte has died, but that she lived and her life gave you memories Too Beautiful to forget. Although grief over Charlotte's passing is great - Joy of welcoming her back in the resurrection will be even greater. Jesus promised, "I Am The Resurrection and The Life. The one who exercises faith in me, even though he dies, Will Come To Life." (John 11:25)
