“ Chris, Chris and I just learned via your FB post about your Mom. I am so deeply sorry for your loss. We recently spoke and I knew of her lung issue but she told me it was under control. My heart cannot wrap itself around that she (who was larger than life) is gone. My thoughts and prayers are with you. John will be happy to be reconnected- but I am sad for you. Please let us know when you come to Orlando- I want to hug you in person. Love, Barbara Lenahan RIP my dear friend Cheryl❤️
