“ We had something very much in common our names. My mother Norma Jean Tedrow named me after her. I am also Cynthia Lee. She and I always joked about that. Prayers for the family. I am sure her Daddy and Mommy were waiting to her to give her lots of hugs in heaven. Along with grandma and grandpa Tedrow and other family members. Love and God Bless Cynthia Lee Milliken Blake

We had not talked for a while. When we did talk we always said how we wished we could visit in person. I remember when she was only a few days old and her sister, Collette came carrying her OMG, but oh so cute (first of my Mother's grandchildren).

Ashley, Stephanie, Collette and family, I am devastated about the loss of my friend Cindi. She was the most unselfish person I ever met in my life. Since 1981 we kept in touch over the Atlantik, I enjoyed every minute I spent with her. May she rest in peace. Tschüss Cindi, Eva from Switzerland
