“ *Dear David, We may never know what you felt in your final hour. You were loved and taken for granted and now you are gone but not forgotten.*

A big shame you didn't have enough time to pursue your new dreams and family goals. I know how you loved and appreciated your family who looked after you. I'm glad you told me. I'm glad we had time again to chat and joke and remember. I'm glad I knew what was in your heart.

We had plans this summer, Primo, and you were ripped away from us.

I will still keep one of those plans this summer for you. Love you & miss you my Primo! May you rest in peace. (Teddy Bear goes TeekyTeekyBoom... <3)
