“ I have so many memories of Debi, as an infant, child, teen, young woman and parent. Debi came from a family of strong women and she was a strong woman herself. However she never lost sight of the love she had for her family: husband, sons, parents, grandparents and brothers. When they needed her she was there.

I think my fondest memory of Debi was on the occasion of her wedding to Kevin. She was absolutely radiant that day. It was apparent she had found her soulmate.

Debi will always be within the hearts of the many people that loved her.
