

Deborah Marlene Donaldson Fuller

March 3, 1956 - January 4, 2023

Our dear mother Deborah Marlene Donaldson Fuller, 66, of Orlando, Florida peacefully made her transition on Wednesday, January 4, 2023. She was born on March 3, 1956 in Boston, Massachusetts.

Anyone that knew her knew that she had a passion for travel, golf, flying, writing and gathering with family and friends. Debbie always made time for everyone. She provided love and support for her family.

Through her, we know what resilience and perseverance truly look like. There was no quit in Debbie. Just because she is no longer here, it doesn't mean she lost her fight.

“So do not fear for I am with you; Do not be dismayed for I am your God. I will strengthen you and help you; I will uphold you with my righteous hand” -
Isaiah 41:10

“ *Dearest and Sweetest Lady
Deborah..I will always remember you..
Such a Brave, Positive spirit..
You showed me that You can be a Single Mom and Persevere
through anything.
Fighter and true Queen I am still devastated about your Loss as I
always kept you in Prayer .
You were such a light for many who knew You .
And even though I am thousands of Miles away in NYC thoughts of
you as a person will always stay..Glad I always told you I loved you
while you were on earth and I am glad you are not suffering
anymore..you are in a better place upstairs with your little sister and
Mom and more that you Loved so dearly .
May Deborah rest in sweet Peace with the Angels...
Always Loved.
