“ I miss you dearly, Donna. You were a wonderful and selfless sister. Your Hallmark cards were always gracious, loving and heartfelt. No one has been able to match that, and you gave the best and most thoughtful gifts. I pray that you are enjoying the afterlife, and that you have reconnected with all of our ancestors. I wish you were here. Savannah is doing okay. She is a fighter, always has been. We will continue to take care of her, like you expected. I love you Donna. —Angie
