“ *Cookie will always be the sweet sugar of the family and of those who had the privilege to know her, I always told my sister Lillian how blessed she was to have such an amazing, sweet and loving mother in law. Not often someone comes into our life to love and unconditionally and never ever not once judge us. That was cookie to me. Till the end she always told me how much she loved me, and i repeated to her often how much i loved her and how special she will always be in my life. Cookie till we meet again in paradise to continue dancing in my parties like you always did. You will 4 eva will remain in my mind and heart. Thanks for bringing so much joy into our life.*
