“ Doreen could take any mundane trivia and whip it into her unique hilarious version of events- all while laughing. Get them all rolling up there Doreen. You will be truly missed ❤️

“ Goodbye my friend. I know you're taking care of the Mercy and Papa and Old Bill and Polly and that they're so happy to see you. My heart goes out to your family. I have a lot of great memories. I will never forget our "group" from the building watching the election results and seeing Barack Obama nominated President. But my all time favorite memory is when we all came out to investigate the sound of fire engines, and you went back in and got us all heels and earrings because their might be news cameras. You were the funniest person I've ever known. Thanks for all the laughs, and for understanding the love of a pet.
