“Wow, where to start with you Edwin, you were 3 years younger than me, but that never showed in the wisdom you shared. You always had a smile on your face and always made yourself available, whether by phone, text, Facebook or in person. You always made sure I was OK. And made me laugh on so many accounts. You grew up to be such a solid man, a great son, nephew, brother and above all a GREAT FRIEND. I will miss you so much and I know that God got back one of his angels. Please know that the love I have in my heart, has always been there. I'm very heartbroken as I know a lot of us are, but I know that when I think of you, it will be nothing but smile and great memories. I love you bro aka my teddy bear. Inez Moret
