

Edwin Rosa

June 22, 1955 - May 10, 2018

Edwin Rosa, 62, of Winter Springs, passed away peacefully on May 10th, 2018 at Rio Pinar Healthcare. He was the beloved son of Dalila and the late Gonzalo. Edwin will be lovingly remembered by his devoted brother, Gonzalo Rosa Jr. and wife, Camille, his loving sister, Nancy Beltran and husband, Angel; nephews, Angel and David (and his wife, Jay); Nieces, Marissa and Christine (and her husband, Josh), and his great-niece, Mya.

Edwin was born in the Bronx, NY on June 22, 1955, to Dalila and the late Gonzalo. He attended DeWitt Clinton High School and, upon graduation, worked with the publishing company of Harcourt, Brace and Jovanovich in Accounts Receivable for over 20 years. When the company decided to move the business to Orlando, Edwin followed to the Sunshine State in 1984. He was a kind-hearted man whose laughter and smile brought happiness to everyone who knew him. He was also a “Dad” to the many dogs, cats, and birds that passed through his household.

Edwin enjoyed fixing cars, and many benefited from his expertise. When someone needed him, he would without hesitation come to assist, wrench-in-hand to have the engine running like new.

Edwin was a devoted NASCAR Fan, travelling yearly to the Daytona 500 and Charlotte, North Carolina. On many Sundays, you would find Edwin with his mother glued to the TV awaiting the outcome of a race. He also loved playing football and baseball in his youth.

The family wishes to extend their gratitude to Edwin's many caregivers at Rio Pinar Healthcare and Vitas. A special thanks to Pastor Carmelo Mercado for his guidance and prayers during this difficult time and all our family, friends and neighbors who have reached out to extend their love and condolences.

A memorial service will be scheduled in June to celebrate the life of a most caring and thoughtful man, Edwin Rosa.
