“ *Eli or as I knew him primo Calin. Que en paz descanses primo mio. Con brazos abiertos te esperan sin duda a donde vas por el gran ser humano que fuistes. Que dios le de a tu linda familia la fuerza y fe que necesitan ahora y por un tiempo. Al pasar el tiempo sera menos este pesame para todos quienes te queremos y nos haces falta. Gran hombre fuistes en la tierra y mas grande seras a donde vas sin duda. Abrazos y besos a nuestra familia en La Florida, NY y en Belice. Nuestras oraciones para darnos fuerza y paz. Sentimos much no poder estar con ustedes a su lado en esta hora por los tiempos que estamos pasando todos. Gracias por todo Primo Calin y Prima Julia. Hasta pronto.  
Amor, Landy, Teri y muchachas.* ”

“ *Eleuterio was the most wonderful and sweet man. He, and Julia welcomed me to NYC and were there for me during my darkest days. Eleuterio would so generously take care of my things during summer break from college and his smile and laugh always made me feel safe. I will forever treasure having him and Julia at my wedding. Their presence was everything to me. I sat them in the front row right next to my parents because to me they will always be VIPs. Eleuterio will be so missed. I’m so thankful to have had the chance to know him and my family and I will never ever forget him or his legacy. Rest peacefully Eli.*

“ *Miss seeing you daddy. This feels like a nightmare. I wake up everyday hoping to hear your voice. Every time the news comes on or Jeopardy I look at the chair you sit in. The kids miss you, we all miss you. It’s so hard to be strong. Things will never be the same without you here. I love you.*
