“ I am just finding out about this. To Eliot's family, I am so sorry for your loss. I knew Eliot from when I lived in Davie but had lost touch when I moved away.

“ When someone dies, they take a piece of you with them, but they leave a piece of them with you, and the part they leave us, sees life out of his eyes and stays alive through us.  
So now when I see new things, I wish he was here to share them.
