

Ellen Marcella Oakes

November 9, 1955 - March 14, 2020

Ellen Marcella Oakes, age 64, (Previous: Ellen Telkamp; Maiden name: Ellen Stanley) passed away at 2:38 in the morning on Saturday, March 14th, 2020 after being struck by a semi truck during the previous evening hours while crossing on foot at a dark busy highway in East Orange County, Florida.

Ellen was born on November 9, 1955 in St. Louis, Missouri and was the 6th child of Edmund H. Stanley and Marcella L. Christmer, already deceased. Ellen leaves behind three siblings (Laura, Mary and Dorothy), two daughters (Shelley and Joanne), four grandchildren (Gregory, Arianna, Trey and Tyler), a spouse (Carl Leroy a.k.a Lee) of eleven years, as well as many other friends who she considered family.

Many have described Ellen as a special woman, kind-hearted, generous, loving, caring, and always wanting to hug whether family, friend, or stranger. She was one to care for the children, feed the hungry, clothe the needy, and would do anything to help a stranger if she could. She was also one not to mess with and had fire in her blood when it came to protecting hers and her family. She had a soul that will truly be missed walking upon this earth. May she rest in peace.
