“ Dear Elsa, (Mi familia siempre) I remember how blessed I was when I finally met you! You inspired me to always strive for a strong family, be there for each other, keep great values, be the best BORIQUA I can be and a great Papi Chulo. I never will forget the way you light up a room or always made family time a special time! You always found a way to make me laugh and reminded me one arm bandits are no bueno (slot machines) . I promise to keep my youth and always find a reason to smile. PLEASE FORGIVE ME AS I TYPE THIS MESSAGE AND TEARS FLOW FROM MY EYES- it is now that I realize, you may be gone- but not forgotten! Mi Abuela Siempre! Hugs are always being sent your way- all the way to heaven! May God bless you and welcome you with open arms into heaven! In Jesus' mighty name-Amen

*May the sparkle in those beautiful eyes be shining even more now that you're home with our Heavenly Father.*
