“ *To lose a family member brings pain beyond belief. There are no words to ease my families pain and sadness. Although you have left this world you'll stay within our heart's... Death leaves a heartache no one can heal. But love leaves a memory no one can steal.....May you R.I.P.....love you always.*

“ *I have a pain so deep inside, I cannot find a way to hide  
If you were here I'd hold you dear and I'd be free of all these tears.  
But because it's not to be, my pain will never be set free.  
So I will hold you in my heart, that we may never be apart.  
I love you my brother and will miss you every day of my life until  
I see you again. Your sis, Dalila*

*I can only imagine what you're feeling sis. I am heartbroken because I imagine what you and the rest of my family are going through. I just wish I could be there just to give you all warm Hugs to soothe your heart. I know This is devastating, and so I am begging for God's Mercy to grant you all Strength, Peace , Hope and Comfort. I feel in my Heart that, His Spirit was so large, even death cannot defeat him. His Love for you all and his spirit will live on forever. You will forever feel his presence, his Guardianship, and his love. Be well my dear sis. Take care of yourselves, for he would not want you to suffer. I love you all always! God bless you all! “ Rest in the peace of the Lord. My uncle, my big brother. The one who taught me how to be cool. The one I looked up to and wanted to be like when I was a kid. The one I stayed up for all night and into the morning just to hang out with him for a little. I love you, I will miss you, you played a big part in my life my brother and I will carry your memory with me til I'm gone. We live, we ride, we go to the Lord.
