“ We were so saddened to hear that Dear, Sweet Esther had passed away. We used to see her and Oscar at Mass, but with COVID 19, we don't get to see our friends much now. The last time we saw Esther was at the Knights of Columbus 1st Friday Mass, and she was her usual, precious self - always with a lovely smile and so friendly. What a loss you are experiencing, Oscar, without your beloved wife. She is certainly praying for you, and all of her family, from her new home in Heaven with her Savior. Our love and prayers go out to all of you at this sad time. Bob and Carol Schonefeld

“ Thank you all for the kind thoughts and prayers for my Mom and our family. My Mom was loved by so many and touched so many. She was strong in her faith and I take peace in knowing that she is with God now resting in peace, looking down on all of us and smiling. Mom is another angel that God needed by his side, and she will continue to protect us all. Love you so much Mom rest in peace, until we meet again.

“ You don't have to be a world celebrity to enter the Kingdom of Heaven And I believe that Estercita is already there. She dedicated her quilt knitting talent to benefit others and shared her love for Christ with family and friends. Although we will miss her presence with us, we know that she is enjoying everlasting life in the loving care of Our Lord. The Castineira family unites in prayer with her husband, children and all who loved her.

“ Ester was the founder of our prayer quilt ministry here at Blessed Trinity as part of the Service Commission in our CCW. She taught us how to quilt by machine and gave us many patterns and tips. Although, she dropped out due to health issues awhile back before we became a separate church ministry, she will always be our founder and loved by me and our other members.
