“ Gary,
My thoughts and prayers are with you and Julie. Your spirit is still in this room with Ms B. It was a pleasure to work with you. As I sit in the same recliner, almost ready to leave work, I can still see you walking into the room, as the nightshift was here! Miss your smile. Ms. B misses you too. May you rest in peace. Julie, even though we never met, Gary always spoke of you. Prayers for you at this difficult time.

“ Gary,

You are a wonderful soul, an unforgettable man, outstanding nurse and great friend. Thank you for taking such great care of my daughter and being a wonderful friend to me when I felt so alone and misunderstood. They broke many molds when you were created. My thoughts are with your family and friends. I know you will still watch over Miss B. Thank you. We miss you every day.

“ I loved you G. Through many years our journey was filled with memories I will never forget. You were an amazing nurse who loved your patients especially the tiny ones in the last few years of changing to pediatrics. Your grandchildren will know you. We will share your stories. Thank you for 35 years. I will miss you. /julie
