“ I wanted to express my deepest sympathy to Gene's family. I am deeply saddened by Gene's passing. He a much beloved and committed employee at WKFS and his knowledge of the industry was second to none. I spent a lot of hours with Gene over the years and will always remember what a good soul Gene was. His last few years were very difficult and I admired how Gene did his work and never complained. May the lord share peace with Gene and his family.

“ Thank you all for the kind and wonderful words. Both myself and my family appreciate it. He was indeed a wonderful man, father, and husband. I know that he loved his work and traveling as much as he loved our family. He had an endless heart and taught me honesty, hard work, and most importantly what true love is just by being him. He will live on in is always. Fly high dad. I love you ❤️

“ Gene commanded attention with his wit, infectious smile, his knowledge of all things, and his passion for the financial industry. I love the picture of him in Maui and I had the pleasure to be with him and JoAnn on many incentive trips. Whenever I needed his advice on a software issue he was quick to respond and help. He was a true friend and will be missed by all he touched. God bless Gene's soul and his family.

“ Working with Gene for 8 years was such a joy. I always said that Gene had a heart the size of Texas, and he did. I'll miss our political discussions and laughs, our partnership and collaboration, enjoying the sights of New England on our travels, and the way he always cared about me and my success. Gene was a great man and he will be very sorely missed.

“ I had no idea Gene was 69 years old, way too young to leave. He seemed so much younger. He was kind and thoughtful. Smart and funny. Customers loved him and so did his many co-workers. We'll miss you Gene.
