“ I've heard it said, "We are all just passing time and occupy our chair very briefly." The time we had with George was a gift and we are all better that he occupied his chair so well. I see God's light in my family everyday. I may not understand it but I trust in his plan for us all. My kids, who even though they lost their Dad, always make sure they are there for me. Thank you Joslyn, Nicki, and Brandon. I love you three with all my heart.

*Rest in Peace, My Darling Man.*
