“ Rest in peace Gerald. Keep my daddy company up there. Now you guys Can smoke cigars and go water skiing, like the days of old. I remember the years at the lake and the happy birthday song that got played for me every birthday since I was 3 on the telephone. And to this day I still think of cousin Gerald when I hear it. Sending hugs and prayers to Corine and your Family. I know it had been years but I still have the memories and the stories my dad used to tell of him and Gerald and you, blessings during this difficult time. In deepest sympathy, I am truly sorry for your loss. And to cousin Jean also. I know this is hard for you as well. Just know all of you, that no matter how far apart we are, we are still family and family are the lines that bind. Love you to you all during this difficult time.
