“ *It still doesn't feel real that you are gone. Maybe because I don't want it to. I want to believe that I can still pick up the phone to call you or when I go to Florida you will be there. But you are gone and I'm going to miss you so much. You gave us the best childhood I kid can have. You made sure we felt loved and had laughter. You also kept us on our toes. I will miss you grandpa. <3*

“ If I could bring you back granddad for just one single day. Then time would go so fast I'd have so many things to say. I'd tell you dearest granddad, that you truly were the best. So many hearts were filled with pain when you were laid to rest. And now that Christmas time is here, it somehow seems to me. One special gift is missing from beneath the Christmas tree. If I could bring you back again. I'd say what's always true. There's never been a granddad quite as wonderful as you
