“ I just found out my wonderful Delta Beta Pi brother passed away. I have so many great memories from the early 70's at the fraternity house, both on Robinson and Lucerne Circle. I'm sure many of the brothers just found out after his little (fraternity) brother Mark Lamm told us today. I am so sad. We are all having a Delta reunion next week but it won't be the same without wonderful and happy-going Harold. My prayers are with the family.
