Harvy was blessed to have lived 21 beautiful years and grace us with his presence on this earth. Each one of us is a better person because of him. We know what it feels like to be in the presence of an angel, because we got to experience him. Fly high now sweet boy, you are exactly where you were always meant to be .

Philippians 4:6-7: "Do not be anxious about anything, but in every situation, by prayer and petition, present your requests to God. And the peace of God which transcends all understanding will guard your hearts and your minds in Christ Jesus."

Matthew 11:28

“ Even though I didn't know Harvy in person, I know how much light he brought to his family. I know that he liked Pokémon, Rick and Morty (I wonder in which universe he is playing now...) and, most importantly, he really liked his aunt Albania. Harvy, I wish I could have had the opportunity to meet you but, hey, probably in the next chapter

My love to Albania and all her family in this difficult moment.
