“ Hey Jason and Tracey, we are in AL and sending a great big hug to you both! Your mom and I had a name connection from the very beginning :) I loved having her as my cousin Marcel's wife! The two of them made us laugh! I am sure that is what Mr Gorham enjoyed about your mom as well. She told me when Marcel was laying in his hospital bed she told him to "go to your God" and so I trust that Jesus showed Himself to your mom and that she has gone to Him as well (((<3))) Love Helene Tremblay Tanguay
