“ *Nando it is so hard to believe that you are gone . You were a great guy who I know loved my sister very much. Life without you around will never be the same but I know you will always be there to keep an eye and watch over Kate. You are truly going to be missed very much but now you are living pain free . You will not be here physically but I know you will always be here in spirit . Everyone misses you greatly.Until we meet again. RIP Nando ❤️🙏 #gran tipo*
