“ This woman was an amazing Faithful and loved the Lord with her heart. She was funny very out spoken. One of the things I'm going to miss is her walking and leaving every one beyond. And her Good cooking. One thing about my Mother is she loved everyone, but she was hurting inside. She will be missed very much and I know that she is dancing with the Lord at this very moment. I will always love you . Your Daughter Marleen Morales

“ *I remember being 5 years old. While, she was in the bathroom getting ready apply her make-up and fixing up her hair. I would just stare at her being amazed by her beauty and would hope that one day. I would have just half of what she had. I love you, with everything that's inside of me.*
